

Co-Location Services

These services are for the physical hosting of your server(s) and/or networking hardware.

These prices assume a 6 month contract term. Recurring charges are billed quarterly at beginning of service period. Discounts are available with other contract term lengths. Please call for services not listed.

Co-Locate Service Types	Monthly Charge	Install and Setup	Base Data Transfer Monthly Allowance	Rack Space Usage	Data transfer rate per MB over the base allowance
Standard CL20	\$150.00	\$200.00	2000MB	2 U	\$0.050
Premium CL21	\$250.00	\$375.00	4000MB	5 U	\$0.030
Corporate CL22	\$450.00	\$675.00	5000MB	10 U	\$0.025
Custom CL23	Call	Call	Call for 50GB/Mo.	---	Call

Above Service Requires:

- Your server is rack mounted and is configured for standard mounting
- Your domain registered with a domain registration organization. If your domain already exists with another ISP, we can help you move it to iaxs.net, usually at no charge.

Above Service Includes:

- Equipment cabinet space with filtered, uninterruptable power in our environmentally monitored, secure facility.
- Base data transfer allowance per month. \$0.0x per MB (see table above) over and above this base data transfer allowance.
Please call us for data transfer requirements of more than 15GB per month.
- Access to Windows NT via In-Band remote control application software such as PC Anywhere or WinVNC.
- Telephone technical support during regular business hours.
- Secure access / ftp capability for UNIX server web site construction / maintenance.
- All upstream providers are on our OC-3 Fiber.
- Cabinet UPS's are on a natural gas generator for extended power outages.
