

Dialup and Dedicated ISDN Access Prices

12 month contract term in 612/651 service area assuming ISDN qualification is required only for network accounts. Recurring charges billed quarterly. Other contract term lengths available upon request.

Single User ISDN Account / Bandwidth		Monthly Charge	Install and Setup	ISDN Hardware and Setup	1 Analog dialup access included
64K Non-Routed	ISI10	\$25.00	\$45.00	\$149.00	No
128K Non-Routed	ISI15	\$50.00	\$45.00	\$149.00	No
Dial-Up Routed 64K	ISI20	\$30.00	\$100.00	\$700.00	No
Dial-Up Routed 128K	ISI30	\$60.00	\$100.00	\$700.00	No
Dial-In/Out Routed 64K	ISI40	\$80.00	\$150.00	\$700.00	Yes
Dial-In/Out Routed 128K	ISI50	\$100.00	\$150.00	\$700.00	Yes

Above Service Includes:

- One fixed IP address for the routed accounts, one dynamically assigned IP address for the non-routed account.
- User is responsible for US West ISDN account installation and recurring charges.
- Where indicated we provide an unlimited single analog dialup account for maintenance and technical support.
- Up to 4 SMTP/POP3 mail accounts. Additional POP3 mail accounts are \$5.00 each per month.
- 10MB for non-domain web page / ftp space / database. If used for web page, allows up to 10,000 hits per month.
- ADC Kentrox PaceSetter Pro router and all cabling. (Unless for 64K non-routed access).
- Onsite configuration and assistance with Infinity supplied routers.
We generally can not guarantee success in assisting in configuring other routers.

Network ISDN Account / Bandwidth		Monthly Charge	Install and Setup	Router Hardware and Setup*	1 Analog dialup access included

Dial-In/Out Routed 128K	ISN40	\$230.00	\$300.00	\$1,600.00	No
Nailed up 64K	ISN50	\$200.00	\$425.00	\$1,600.00	Yes
Nailed up 128K	ISN60	\$300.00	\$425.00	\$1,600.00	Yes

Above Service Includes:

- Assistance with US WEST ISDN ordering and tariff issues.
- User is responsible for US West ISDN account installation and recurring charges.
- Where indicated we provide an unlimited use single analog dialup account for maintenance and technical support.
- Sufficient IP address space for your network. Additional charges for 128 contiguous IP addresses may apply.
- Availability of our high-speed cache (proxy) server to accelerate your browsing of the world wide web.
- Use of our news server. We carry over 22,000 newsgroups and can help you in getting the most out of this resource.
- 10 SMTP/POP3 mail accounts. Additional blocks of 10 POP3 mail accounts are available for \$100 per year.
- Use of our VRMA Virtual Remote Mail Administration service if your email is configured to your domain(s).
- 10MB for non-domain web page / ftp space / database. If used for web page, allows up to 10,000 hits per month.
- UNIX (Sun Solaris) shell account.
- ADC Kentrox PaceSetter Pro router and all cabling. (If required)
- *Onsite configuration and assistance with Infinity supplied routers. While we can not guarantee success in assisting in configuring other routers, we will perform onsite installation on your equipment on a per-hour basis.

If you are not certain if ISDN service is available at your location, give us a call and we will contact your local telephone carrier to confirm that facilities are available. This qualification can usually be done the same day requested. ISDN can take up to 45 days for circuit deployment. Please call us for current installation schedules for your location. Resale of access requires explicit approval and application of additional monthly recurring fees.
